CROSS-DEPUTIZATION AGREEMENT
AMONG THE CITY OF CALVIN, OKLAHOMA,
THE BUREAU OF INDIAN AFFAIRS, AND
THE CHOCTAW NATION OF OKLAHOMA

This Agreement is entered pursuant to the authority of the Indian Law Enforcement Reform Act, 25 U.S.C. Section 2801, et seq., the Oklahoma State Tribal Relations Act, 74 O.S. §§ 1221, et seq., and the Oklahoma Interlocal Cooperation Act, 74 O.S. Sections 1001, et seq. which provide for cooperative agreements to promote better law enforcement services.

The intent of this Agreement is to provide for the cross-deputization of law enforcement officers employed by the various agencies which are parties to this Agreement so that each agency's officers will be authorized to provide law enforcement services and make lawful arrests in Indian Country within the geographic area of the City of Calvin, Oklahoma. It is the express desire and intent of all parties to this Agreement to allow law enforcement officers to react immediately to observed violations of the law and other emergency situations without regard to whether they occur on or off Indian lands.

All the parties to this Agreement recognize that when law enforcement officers arrest a criminal suspect, the officers may not know whether the suspect or the victim is an Indian or whether the arrest or the suspected crime has occurred in Indian Country, as defined by 18 U.S.C. Section 1151, and, therefore, there is

great difficulty in determining the proper jurisdiction for the filing of charges. It is further recognized that the official jurisdictional determination will be made by a prosecutor from one of the various jurisdictions, not by cross-deputized arresting officers who may deliver the arrestees to the detention facilities of the various agencies which are parties to this Agreement.

The parties further expressly recognize the manifest intent of the Indian Law Enforcement Reform Act to eliminate the uncertainties which previously resulted in the reluctance of various law enforcement agencies to provide services in Indian Country for fear of being subjected to tort and civil rights suits as a consequence of the good-faith errors of officers making arrests or quelling disturbances in Indian Country. To eliminate such concerns, the Bureau of Indian Affairs, to the maximum extent possible under applicable law, commits that if a state, local or tribal officer holding a BIA Deputy Special Officer (DSO) commission makes a good-faith arrest of an Indian and delivers the arrestee to a detention facility or to a prosecutor of the wrong jurisdiction through good-faith error, and is later sued in his personal capacity in an action, sounding either in tort or in a civil rights violation, predicated upon the plaintiff's Indian descent, his arrest in Indian Country, and his delivery to the wrong jurisdiction, it will be the policy of the Bureau of Indian Affairs to provide such an officer with the same protections that would have been made available to a BIA law enforcement officer

acting under like circumstances. Those protections shall include those provided by the Federal Tort Claims Act, 28 U.S.C. Section 2401, 2671-2680, as amended.

The parties to this Agreement, therefore agree as follows:

1. Duration

This Agreement shall be in effect for a period of one year from and after its approval. It shall continue in effect from year to year, unless any party gives written notice of intent not to renew at least thirty days prior to the expiration in any given year, or unless sooner terminated by the thirty day termination period.

Any party to this Agreement may terminate this Agreement by giving thirty days written notice of termination to all other parties setting out the effective date of termination.

2. Organization

No separate legal or administrative entity is to be created hereby.

3. Purpose

The purpose of this Agreement is to provide for efficient, effective, and cooperative law enforcement efforts in and around Indian Country in Calvin, Oklahoma, and its terms should be interpreted in that spirit. Accordingly, all parties to this Agreement shall cooperate with each other to provide comprehensive and thorough law enforcement protection, including but not limited to, effecting arrests, responding to calls for assistance from all

citizens and from other law enforcement officers, performing investigations and providing other assistance such as dispatching and detention in the City of Calvin, Oklahoma.

4. Financing

Activities of each of the respective parties will be financed by each of the respective parties except as expressly provided herein.

5. Termination

This Agreement may be terminated as provided in Paragraph 1, above.

6. Administration

The provisions of the Agreement shall be administered by a board comprised of the Superintendent, Talihina Agency, BIA, Talihina, Oklahoma, and the Chief of Police of Calvin, Oklahoma, and the Chief of the Choctaw Nation of Oklahoma.

7. Property

No real or personal property is to be acquired or held under this Agreement. When personal property is loaned from one party to another it shall be returned as soon as possible upon request of the owner-party.

8. Commissions

A. Each agency who is a party to this Agreement may, in its discretion, issue special law enforcement commissions to law enforcement officers of other agencies who are parties to this Agreement upon the application for such by an agency party. Except

that the Secretary may not use the personnel of a non-Federal agency in an area of Indian Country if the Indian tribe having jurisdiction over such area of Indian Country has adopted a resolution objecting to the use of the personnel of such agency. Such commissions shall grant the officers the same law enforcement authority as that of officers of the commissioning agency unless specifically limited by the terms of the commission. When an agency issues such a commission, it shall provide notice of that commission, including the name of the officer receiving the commission, to each of the other agencies who are parties to this Agreement.

B. A commission shall not be granted unless an officer has complied with all the prerequisites for appointment as a police officer as set forth in 70 O.S. Section 3311, or 68 BIA Manual Section 9.1, et. seq., and with the specific requirements of the commissioning agency. Those prerequisites must include the following:

- (1) United States Citizenship;
- (2) A High School Diploma or Equivalent;
- (3) No Conviction For a Felony or Other Crime Involving Moral Turpitude;
- (4) Documentation of Annual Weapons Qualifications;
- (5) A Finding that the Applicant is Free of Any Physical, Emotional, or Mental Condition Which Might Adversely Effect His or Her performance as a Police Officer.

C. If requested by the commissioning agency, the applicant's agency shall provide a National Crime Information Center background check on the applicant.

D. A commissioning agency may, at any time, suspend or revoke an officer's commission for reasons solely within its discretion. A commissioning agency shall notify the officer's agency in writing of the suspension or revocation and the reasons therefor. Within ten (10) days after such notification that agency shall cause the commission card and any other evidence of the commission to be returned to the commissioning agency.

9. Scope of Powers Granted

A. Officers carrying DSO commissions issued by the Bureau of Indian Affairs pursuant to this Agreement are given the power to enforce (i) all federal criminal laws applicable to Indian Country, including the Major Crimes Act, 18 U.S.C. Section 1153, and the Code of Indian Tribal Offenses in 25 CFR Part 11, where applicable, and (ii) Choctaw Nation tribal laws, where the Choctaw Nation has authorized the Secretary of the Interior to enforce such laws, and to make other arrests on Indian Land for criminal offenses where applicable.

B. Officers carrying commissions issued by a state agency, a sheriff's department, or a city police department are given the authority to enforce Oklahoma state criminal laws and city ordinances, where applicable.

C. The parties to this Agreement note that the applicability

of Federal and tribal laws in Indian Country may depend on whether the suspect or victim is Indian and that state laws have been held generally to be inapplicable to Indians in Indian Country; and the parties agree that nothing in this Agreement makes any law applicable to a certain person or certain conduct where it would not otherwise be applicable. Accordingly, the purpose of this Agreement is to provide cross-deputized officers with the authority to enforce applicable law only.

D. Nothing in this Agreement alters or conveys any judicial jurisdiction, including the authority to issue warrants for arrest or search and seizure or to issue service of process. Similarly, nothing in this Agreement is intended to impair, limit, or affect the status of any agency or the sovereignty of any government.

10. Disposition and Custody

A. Any person arrested by an Officer commissioned pursuant to this Agreement shall be turned over to a responsible official of the proper jurisdiction. In order to ascertain the proper prosecuting jurisdiction, the officer shall ask the arrestee, where practicable, whether he or she is Indian or non-Indian and shall rely on that representation.

B. The prisoner shall be taken before a judge of the appropriate jurisdiction for initial appearance, bond setting, and probable cause hearing within forty-eight hours from the time of arrest.

C. Whenever feasible and practicable all medical and dental needs of Indian prisoners shall be provided by an Indian Health Service (IHS) facility or tribal health care facilities. A listing of those facilities appears below. The City of Calvin shall promptly notify the tribal police of such needs, to afford the opportunity to arrange for the treatment and the transport to treatment or to otherwise advise the City of Calvin on action to be taken. In cases of extreme emergency where it is not feasible or practicable to seek tribal police advice in advance, the City of Calvin may obtain such care for prisoners at local, federal or state facilities as emergency needs dictate. In such instances, the care provider should be advised to contact the nearest IHS facility for further instructions and for claims advice within 72 hours of the first furnishing of care or treatment. The City of Calvin shall promptly notify the tribal police of actions taken when such emergency circumstances occur. If for some reason IHS refuses to pay for such emergency medical care, the Tribe will take all appropriate and lawful action so that the burden of payment will not fall upon the City of Calvin.

D. In the event an emergency mental or psychiatric situation arises with an Indian prisoner, it shall be the responsibility of the Tribe to immediately take custody of said prisoner for appropriate action pursuant to applicable law.

E. In the event of a major crime investigation on Indian land participated in by the City of Calvin personnel, all items of evidence shall be turned over to BIA officers who shall be responsible for it and for any expert tests or analyses to be performed.

12. Supervision

It is understood and agreed by the parties to this Agreement that the respective agencies, their agents, employees and insurers, have no authority nor any right whatsoever to control in any manner the day-to-day discharge of the duties of officers who have been commissioned pursuant to this Agreement.

It is understood and agreed that each agency which is a party to this Agreement, its agents, employees and insurers, do not, by virtue of this Agreement, assume any responsibility or liability for the actions of officers commissioned pursuant to this Agreement which are performed outside the scope of their duties.

C. Nothing in this Agreement shall be read as waiving or limiting any defenses to claims of liability otherwise available to law enforcement officers, such as the defense of qualified immunity.

D. Nothing in this Agreement shall be construed as a waiver of any government's sovereign immunity, not otherwise expressly waived by legislative act.

14. Additional Parties

It is understood by the parties to this Agreement that additional agencies with law enforcement responsibilities may choose to join as parties hereto but that no amendment will be made to the terms of this Agreement without the agreement of all the parties signatory to it.

C. in Board of Trustees Meeting

March 07, 1994

The meeting was called to order by Acting Mayor, Ben Mathis. The minutes from the February 7th meeting were read. Jim Lawrence made a motion to approve the minutes with two corrections: Tommy Spaulding's raise had already been approved; the Board was simply taking action on it. There was no motion made to contact the visiting nurses from Konowa; it was merely stated as a good idea to call them. Wandalene seconded the motion to approve the minutes with corrections. Jim Lawrence-yes, Wandalene Furgerson-yes.

The Financial Report was read with a motion made by Jim Lawrence to approve it. Wandalene Furgerson seconded the motion.

Wandalene Furgerson made a motion to approve the Purchase Order Journal as read; Jim Lawrence seconded the motion. Wandalene - yes, Jim - yes.

OLD BUSINESS: Landfill - Sooner Land Management couldn't send a representative as planned. Mr. Wesley Sneed called and offered apologies to the Board. He stated that their fees would be \$3.35 per yd. of trash dumped. He thought that it would be 30-35 miles from Calvin Town Hall to their dumpsite. Linda will contact Moss School to find out how much trash they are wanting picked up. Linda will ask Jerry how big our truck is in cubic yards. It should be on the box somewhere. Ask Jerry and Tommy to check mileage from two-story stone house through their Ashland pickups and tell how many stops they make. Need to call Sooner Land Management and let them know that we will probably be doing business with them next month. Need to notify Ashland customers if we intend to drop them from our route.

Jim Holman wants to know if the Catawba tree outside of the fire station is on the Historical Society's endangered species list.

Treasea Blaylock wants a crosswalk marking placed at the top of the hill by her house to slow motorists down. Also "Slow Children At Play" signs placed in the same area. Needs to be placed on the agenda for April's meeting. Also on April's agenda: Stop sign at Clyde Young's intersection, talk to County about building the road back up in front of Clyde's house, Discuss Central Heat and Air placement in Town Hall, and discuss the possibility of raising the City Sales Tax.

Ronnie Wallace - Cross Deputization: Jim Lawrence made a motion to approve the Cross-Deputization Agreement sent by the Bureau of Indian Affairs, which would allow Officer Wallace to legally conduct law enforcement policies on Indian property within the Town's corporate boundaries. Wandalene Furgerson seconded the motion. Jim - yes, Wandalene - yes.

Floodplain Workshop - Wandalene Furgerson volunteered to attend this workshop in Okmulgee if it is possible for her.

CNG- Read letter to the Board acknowledging receipt of the 2% fee received by Calvin Public Works Authority in the amount of \$377.45. Wandalene Furgerson asked Linda to call Larry Gralla and request a Financial Report for that time period.

Wandalene Furgerson made a motion to adopt the Municipal Budget Act. Jim Lawrence seconded the motion. Wandalene - yes, Jim - yes.

Wandalene Furgerson made a motion to offer Tommy Spaulding the opportunity to attend the ORWA's annual conference and exposition in April. The Board would pay his registration fee and basic hotel rate. Jim Lawrence seconded the motion. Wandalene - yes, Jim - yes.

Floodplain Resolution - Wandalene Furgerson made a motion to adopt a resolution requiring a permit for any building, placement or remodeling of any structures, permanent or temporary, in the Floodplain areas in the corporate boundaries of the Town of Calvin. Jim Lawrence seconded the motion. Wandalene - yes, Jim - yes.

Wandalene requested a Purchase Order in the amount between \$300-500 dollars to lay the water lines at the park site. The purchase order would be written to The Home Gas Company for necessary equipment. Jim Wandalene made a motion to this effect and Jim Lawrence seconded it. Wandalene - yes, Jim - yes.

Put on April Agenda: Town beautification, street lights (call Allen Bryant and ask about paying lights out of S & A account. Tell him what OML said about it.)

Make up "work order" sheets for Tom and Jerry to use. Tell them again to lay new gas lines for Town Hall. They are to use plastic, not metal. This is #1 priority after fixing the trash truck or Harlton will pull the gas meter!

Wandalene Furgerson made a motion to adjourn the meeting. Jim Lawrence seconded. Wandalene - yes, Jim - yes. Meeting adjourned.
